

William U. Galloway
Associate Professor

School of Architecture
College of Architecture, Arts, and Design
Virginia Polytechnic Institute and State University
300G Cowgill Hall (0205)
1325 Perry St.
Blacksburg, VA 24061
(540) 231-7424
galloway@vt.edu

Academic Appointments

Director, School of Architecture + Design, 2011-2014
Chair, Graduate Architecture Program, 1998-2003
Associate Professor of Architecture, Virginia Tech, 1998-present
Assistant Professor of Architecture, Virginia Tech, 1993-1998
Instructor, College of Architecture & Urban Studies, Virginia Tech, 1988-1992

Courses Taught

ARCH 3015-16, Architecture III
ARCH 3045-46, Building Assemblies
ARCH 3054, Building Analysis
ARCH 3954, Studio-Study Abroad
ARCH 4164/5064, Computer Applications in Design
ARCH 4214/5134, Topics in Arch. History & Theory: Ruskin Reading Group
ARCH 4015-16, Architecture IV
ARCH 4515-16, Architecture V
ARCH 4514, Thesis Inquiry
ARCH 4524, Thesis Documentation
ARCH 4705-06, Qualifying Design Seminar
ARCH 4715-16, Qualifying Design (Grad. Foundation) Lab
ARCH 4765-66, Building Technology
ARCH 5515-16, Architecture & Systems Lab
ARCH 5565-66, Building Materials & Construction
ARCH 5705-06, Architecture & Urbanism Seminar
ARCH 5715-16, Architecture & Urbanism Lab
ARCH 5755-56, Advanced Design Lab
ARCH 5994, Research & Thesis

Educational Background

Master of Architecture, Virginia Polytechnic Institute and State University,
Blacksburg, Virginia, 1993
Bachelor of Design in Architecture, Summa Cum Laude, Outstanding Four-
year Scholar, University of Florida, Gainesville, Florida, 1981

Professional Experience

Senior Designer and Project Manager, Williams Architects Chartered (formerly
Williams and Walker Architects: Donald S. Williams, FAIA, and Edward
Walker, AIA, Principals), Clearwater, Florida, 1980-1985

Selected Built Projects

Project Designer (with Prof. A. J. Davis, AIA, Architect), Research +
Demonstration Building, Plantation Rd., VPI&SU Campus, Blacksburg, VA,
1987-1994

Project Manager (with Williams Architects Chartered), Pinellas Park Health Clinic, 15,000 sf neighborhood health facility, Pinellas Park, FL, 1985

Project Manager (with Williams and Walker), County Annex Office Building, renovation of former Pinellas County Jail for 90,000 sf office space, Pinellas County, FL, 1983

Project Designer, (with Williams and Walker), Moccasin Lake Park, energy self-sufficient demonstration park (20 ac.), including 6,000 sf Interpretive Center, solar array and windmill structure, restrooms, and picnic shelters for City of Clearwater, FL, 1982

Selected Awards and Honors

Design-Build Award (with Patrick Doan and Frank Weiner), Association of Collegiate Schools of Architecture, for the cube project at the Research + Demonstration Facility, 2016

Honorable Mention, Architecture category (with Patrick Doan, Ryan Seavy, Gabe Oliver, and other faculty and students), American Institute of Architects (AIA) Virginia, for the cube project, 2015

J. Stoeckel Design Lab Teaching Excellence Award, School of Architecture + Design, 2015 and 2021

Excellence in Outreach Award, School of Architecture + Design, 2009

University Certificate of Teaching Excellence for the College of Architecture and Urban Studies, VPI&SU, 1995 and 2005

Award for Excellence in Architecture (with A. J. Davis), Virginia Society of the American Institute of Architects (AIA), for the Research + Demonstration Facility — Phase 1, 1992

Second Place (with Hilary Bryon, Joe Obritz, and Heinrich Schnoedt), National Design Competition, *A Choragic Monument to 20th Century Architecture*, sponsored by the New York Chapter AIA, 1991

Design Merit Award, Florida Central Chapter AIA, for Moccasin Lake Park Interpretive Center (with Williams and Walker Architects), 1983

Selected Research Activities

Co-investigator (15%; with Geography Profs. Joe Scarpaci and Korine Kolivras), Sponsor: Radiance Technologies and a consortium of universities coordinated through the American Geographic Society's Bowman Expedition Program – "Global GIS Place-Based Field Research in the Antilles" (Collaborative Environmental Management in Caribbean Tourist Regions: Linking Geographic Scales of Analysis and Public-Private Partnerships to Foster Sustainable Development and Regional Security), 2007-08

Principal Investigator, "Design of a New Sustainable Health Center for the Community of Verón in the Dominican Republic," a Collaborative Project between the Virginia Tech School of Architecture + Design and the Edward Via Virginia College of Osteopathic Medicine, 2005-2007

Co-investigator and Project Designer (Principal Investigators: Prof. R. P. Schubert, Dr. James Woods, Prof. A. J. Davis), "Research + Demonstration Facility, Phase 2," 1991-1993

Project Designer (Principal Investigator: Dr. James Woods), "Technology Development for Removal of Indoor Air Pollutants," UCAir Filtration Project (Union Carbide Corp.), 1990-1991

Project Designer (Principal Investigators: Profs. A. J. Davis, R. P. Schubert), "Research + Demonstration Facility, Phase 1," 1987-1990

Research Assistant (Principal Investigators: Profs. A. J. Davis, R. P. Schubert), "Investigation into the architectural and construction potentials of the Biaxial Concrete Block," funded by the National Concrete Masonry Association (NCMA) and the Center for Innovative Technology (CIT), 1986

Selected Publications and Conference Papers

Scarpaci, J. L., W. Galloway, and K. Kolivras. "Engineering Paradise: Marketing the Dominican Republic's Last Frontier," a chapter in Stanley D. Brunn (Ed.) *Engineering Earth: The Impacts of Megaengineering Projects*. (New York: Springer, 2011)

Galloway, W., "Ruskin's Road Reconsidered: Lessons for Students and Teachers of Art and Architecture," presented at the conference, "Persistent Ruskin – Aesthetics, Education, Social Theory 1870-1914" at the Ruskin Centre at Lancaster University, Lancaster, England, in July 2008.

Galloway, W., "Ruskin's Road: Architecture and the Object of Work," *Association of Collegiate Schools of Architecture (ACSA) 1996 Annual Meeting Proceedings*, Spring 1996, pp. 539-543.

Galloway, W., and Davis, A. J., "A [Research + Demonstration] Building," *Contemporary Themes in Architectural Research*, Architectural Research Centers Consortium, January 1995, pp. 2-7.

Davis, A. J., and Galloway, W., "The Place of Research in Architectural Education," *ACSA 1992 European Conference Proceedings*, Summer 1992, pp. 188-192.

University Service

Member, School of Architecture + Design Peer Review (Promotion and Tenure) Committee, 2005-2007; 2015-2019; 2021-present

Chair, School of Architecture + Design Peer Review Committee, 2006-2007; 2017-18; 2021-22

College representative, University Undergraduate Curriculum Committee, 2017-18

Member, School of Architecture + Design Curriculum Committee, 2014-2016

Member, College of Architecture and Urban Studies Promotion and Tenure Committee, 2008-2011

Member, Board of Advisors of the International Archive of Women in Architecture (IAWA), 2007-2014

College representative, University Council, 2007-2009

Member, Administrative Review Committee for Dr. Karen DePauw, Dean of the Graduate School, 2007-08

Chair, University Graduate Curriculum Committee, 2006-07

Member, College of Architecture and Urban Studies Administrative Review Committee, 2005

Member, VPI&SU Commission on Graduate Studies and Policies, 2004-2007

Member, College of Architecture and Urban Studies Curriculum Committee, 2004-2005; 2009-2011

Chair, Faculty Search Committee, Department of Architecture, 1998-1999

Member, Honorifics Committee, College of Architecture and Urban Studies, 1996-1998; 2009-2011

Member, VPI&SU Faculty Senate, 1995-1998; 2018-2021

Professional Service

Served as outside curriculum reviewer for the State of Louisiana Board of Regents for proposed graduate degree programs in architecture at the Univ. of Louisiana at LaFayette (2001) and Louisiana Tech Univ. (2004)

Served as observer on visiting Accreditation Team for the National Architectural Accrediting Board at the Univ. of Louisiana at LaFayette, 2002

Selected Public Service and Outreach

Co-directed (with Prof. Dean Bork, Landscape Arch.), "Design and Construction of a Playground and Outdoor Classroom for the Verón Primary School," near Punta Cana, Dominican Republic, a collaborative project between the Virginia Tech Alumni Association, the Puntacana Ecological Foundation, the Punta Cana-Bávaro Rotary Club, Peacework Development Fund, and the College of Architecture and Urban Studies, March 2009

Co-directed (with Prof. Joe Scarpaci, Dept. of Geography) "Social and Environmental Sustainability in the Dominican Republic," during which graduate and undergraduate students engaged in a public service and research project, developing a GIS database of buildings in the squatter settlement of Verón, May 2005

Faculty Advisor, Alpha Rho Chi, Service Fraternity for Architecture and Allied Arts, 2021-present

Faculty Advisor, VPI&SU Student Chapter, Habitat for Humanity, 1994-1999

Project Director, "Center for Eastern American Indian Culture," Preliminary Design, Site Design, and Feasibility Study for a Museum in Bland Co., Virginia, with the Community Design Assistance Center of the College of Architecture and Urban Studies, VPI&SU, 1989-1992; 1995-1996

International Travel

Service Abroad Programs, Verón, Dominican Republic, 2005, 2009

College of Architecture and Urban Studies (CAUS) Europe Study Abroad Travel Program: England, France, Belgium, Netherlands, Germany, Switzerland, Spain, Italy; 1991, 1993, 1994, 1995, 2005, 2010, and 2015

Japan Study Abroad Program, CAUS with Yokohama National University, 1996
