

DR. TUWANDA GREEN

PHD, AIA, NCARB, PMP, LEED BD+C, WELL AP

tuwanda@vt.edu

OBJECTIVES

Design architectural environments using scientific evidence-based research; teach human-centric design theories and methods that influence change to the design process and national building codes.

EDUCATION

Doctor of Philosophy, Architecture & Design Research (ADR), Virginia Polytechnic Institute & State University, May 2021 – graduated summa cum laude
Master of Architecture, New School of Architecture and Design
San Diego, CA, November 2014 – graduated cum laude
Bachelor of Architecture, Virginia Polytechnic Institute & State University
Blacksburg, VA, December 1989

REGISTRATIONS/PROFESSIONAL AFFILIATIONS (CURRENT)

Registered Architect – Virginia, Maryland and District of Columbia
American Institute of Architects (AIA) – Member since 1992
National Council of Architectural Registration Boards (NCARB) Certificate
Project Management Institute – Project Management Professional (PMP)
WELL Building Standard Accredited Professional (WELL AP)
Leadership in Energy & Environmental Design – Accredited Professional Building
Design and Construction (LEED AP BD+C)
Academy of Neuroscience for Architecture (ANFA) Educator
Edward A. Bouchet Graduate Honor Society Member

PRESENTATIONS

The Brain is Your Client: Biophilic Architecture with Dr. Tuwanda Green
Biophilic Solutions Podcast, Biophilic Institute – July 2023
Teaching Biophilic Design (co-panel speaker)
Biophilic Leadership Summit, Serenbe, GA – April 2023
Unfinished thought process: in progress...
Washington Alexandria Architecture Center Forum – April 2023
Human-Centric Design Architecture for Health and Democracy
Bouchet Graduate Honor Society Conference, Yale University, CT – March 2023
Wellness Design History and Theories
Pratt Institute Neuroscience and Design Class Via Zoom – October 2021
Science and Architectural Design Reality (AIA CEU accredited)
National Organization of Minority Architects Conference, Chicago, IL – Oct 2018
Enhancing the Space Where You Think
Pecha Kucha Presentation, Mclean, VA – February 2018
Digesting Architecture
American Institute of Architects East Conference, Richmond, VA – November 2017
How Humans Internalize and Express Architecture (AIA CEU accredited)
American Institute of Architects Design DC, Washington, DC – 4 October 2017
Medical Educational Med|Ed Facilities Conference, Boston, MA – April 2017
National Organization of Minority Architects Conference, Los Angeles, CA –
October 2016
